Dynaco Only \$30 for the cap kit, just curious if anyone has an opinion before I pull this trigger.This is the Hafler DH
Power Amplifier, a classic original first generation David of the original assembly instructions that came with the kit
version of this amp, It is now very popular to upgrade and modernize the circuitry in Hafler amps.I do not possess
golden ears, the Hafler sounds exactly like my Rotel preamp and a Soundcraftsmen wpc @ 8ohm power amp (see link
below) . I own a DH which I built (last of the kits)and has never misbehaved.Hafler DH Amplifiers user reviews: out of
